POLICY POSITIONS

Supports the lowering of corporate tax rates

- References his time as a small business owner, Wied criticizes the growing national debt, and hopes to "curb out of control spending"; wants to make the Trump Tax Cuts permanent; supports lowering the corporate tax rate to encourage competition

Wants to cut red tape to expand energy production

- Aims to loosen government regulations to expand domestic energy production; wants to support farmers by cutting government regulations to allow them an economic atmosphere conducive to success

Advocates for a return to Trump's policies

- Supports finishing the border wall former President Trump started, and reinstate Trump's Remain in Mexico policy; advocates for funding for border enforcement agents
